Butterfield Online - Tours: Our New Look

To better serve you, we've upgraded our internet banking system,

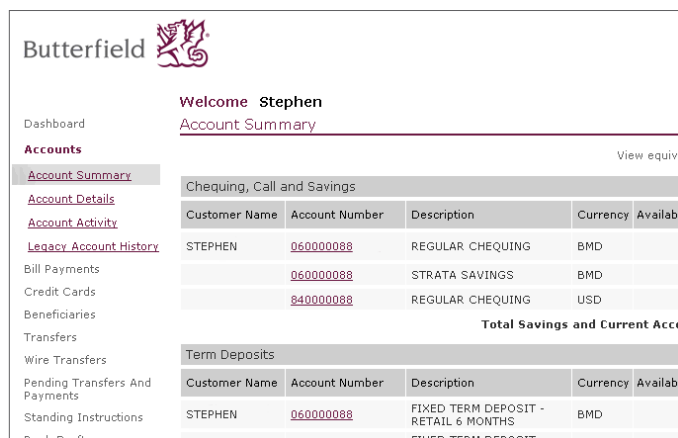

now called Butterfield Online.

This upgrade includes:

- a new look that is designed to enhance your online banking experience

- and a clean and improved layout for better navigation

Butterfield Online - Tours: Our New Look (continued)

New features have also been added to enhance your real-time experience, such as the ability to sort account details and process multiple transfers at once, thus providing you with additional tools to meet your electronic banking needs.

See "New Features" in the tour section.

To use Butterfield Online, you will be required to complete a one-time set-up.

See "Required Setup" in the tour section.
